SNAPS AT HALF PRICE!

We must move immediately the 30,000 Snaps we have ready for immediate delivery to make room for Mum Cuttings.

These are fine, clean healthy well established plants in the New Vita-Bands we are offering to our regular customers at this tremendous saving. You cannot afford to miss this opportunity to put in some beautiful Snaps for Decoration or Mother's Day. There should be a good market for good snaps at that time! 

We are offering these to our old customers first at half our regular advertised price of \$10.00 per 1000 or at a cost to you of only \$25.00 for cash with order at this time, while they last. We will sub as near as possible to variety ordered if out of it unless you say do not sub.
